CLARIFICATION TEXT

This clarification text is prepared by YBN Teknoloji Danışmanlık ve Dış Ticaret Anonim Şirketi, acting in the Data Controller capacity, in compliance with Article 10 of the Law on the Protection of Personal Data No. 6698 ("the Law" or "KVKK") and "Communique on Principles and Procedures to Be Followed in Fulfillment of the Obligation to Inform," in relation to the services rendered through the Gamercard mobile application.

Dear user,
We'd like to stress that we act in full compliance with principles and procedures as set forth in KVKK and all other related regulations, and that we have the utmost regard for the rights you hold as the Data Subject.

As per our obligation to inform, we'd like to inform our users, who carry the Data Subject title, about the personal data that are to be processed through the Gamercard app, the purpose they are to be processed for, the reasons for the transfer of data and their receiving parties, the legal basis on which the data are collected, and the rights users have under the provisions of KVKK.

A. THE PROCESSED PERSONAL DATA AND THE PURPOSES OF PROCESSING PERSONAL DATA

The types of personal data listed below are processed and retained in accordance with the provisions of the legal regulations.

Personal/Identifying (Name, surname, date of birth, gender, nickname)
Processed for the purposes of registering users, connecting and pairing parent and child accounts, creating profiles etc.

Communication (Phone number, e-mail address)
Processed for the purposes of registration verification and communications.

Financial (Credit card number, credit card date of expiration, credit card CCV)
Processed if provided by the user, for the purposes of in-app purchases and fund loading

Visual and Audial (Photos)
Processed if provided by the user, for the purposes of confirmation of task completion and creation of profiles

Appearance/Raiment. The photos provided by the user, for the purpose of creating profiles or documenting task completion for parental confirmation, contain appearance and raiment information that are listed among the special categories of personal data in Article 6 of KVKK. This data is indirectly processed. The Data Controller takes all technical and administrative measures as set in Article 12 of KVKK to protect data and content provided by the users with explicit consent. The said appearance/raiment data is directly related to the establishment and execution of the contractual relationship between the User and the Application, and the upload of the photo by the User will be regarded to have been made public by the Data Subject. Thus, the upload of the photo will be interpreted to mean that the

User made it public himself/herself, and also that he/she gave explicit consent. Therefore, the Data Controller will lawfully process it.

B. Method and Manner of Personal Data Collection and Legal Grounds for the Collection of Such Data

Your personal data are collected by the application, e-mail, and visual and other communication methods in compliance with the provisions as set forth in the Law, for the following reasons:

- It is necessary to process personal data in case there is a contractual relationship between the application and the user. The use of data is directly related to the performance of the contract.
- The Data Subjects have made the data public themselves.
- Data processing is a necessity for the establishment, exercise or protection of a right.
- Provided that it does not harm the fundamental rights and freedoms of the Data Subject, data processing is imperative for the legitimate interests of the Data Controller.

C. THE PURPOSE OF TRANSFERRING PERSONAL DATA AND THEIR RECEIVING PARTIES

Your personal data is transferred to service providers for *purposes limited to software development and software maintenance*. This transfer is performed in full compliance with the personal data transfer provisions as set forth in Articles 8 and 9 of KVKK.

In addition, your data is indirectly transferred abroad as the Gamercard servers are located in Ireland.

D. THE RIGHTS OF THE DATA SUBJECT AND APPLICATIONS TO THE DATA CONTROLLER

Another obligation of Data Controllers arising from the Law is to inform the Data Subjects about their rights. In this context, according to Article 11 of the Law, the Data Subjects can make a formal application to the Data Controller to;

- Request information on whether their personal data are processed or not,
- Request information on what kinds of personal data were processed and how,
- Request information on the purpose of the processed data and whether they are actually used in accordance with that purpose,
- Request information on the third parties to whom personal data is transferred (within the country or abroad),
- Request correction of personal data in case they are incomplete or processed incorrectly,

- Request the deletion or destruction of personal data under Article 7,
- Request reporting of the operations carried out pursuant to sub-paragraphs (d) and (e) to third parties to whom his/her personal data have been transferred,
- Make a complaint or an objection concerning a negative circumstance that came into being due to data processed solely through automated systems,
- Demand compensation in case of damages due to the unlawful processing of personal data

In accordance with the Communiqué on the Procedures and Principles for Application to the Data Controller, Data Subjects desiring to exercise their rights or to demand compensation as stipulated in Article 11 can fill the Application Form on the website www.gamercard.com and send it to Akat Mahallesi
Uğur Mumcu Caddesi Mustafa Kemal Kültür Merkezi No:8 Beşiktaş/İstanbul by mail or to info@gamercard.com by e-mail.

E. PROCEDURE FOR THE PROCESSING OF KVKK-RELATED APPLICATIONS

In the event that the applicant submits a request regarding the rights set forth in the Section D of this Policy, "THE RIGHTS OF THE DATA SUBJECT AND APPLICATIONS TO THE DATA CONTROLLER", the Data Controller will handle and process the request or complaint as soon as practically possible, and in 30 (thirty) days at most, depending on the nature of the request. However, if this requires an additional expense in accordance with the second paragraph of Article 13 of the Law, a fee may be charged on the tariff determined by the Board.
